

Masterclass Project:
AFROModern
 Improv Squares Quilt

**Saturday and Sunday Sewing
 with Individual Coaching**

African Prints are bold and exciting!

They add vibrancy and life to our quilts. And, they can be challenging to work with because these prints can overwhelm our design.

In this Masterclass, you will learn to use these prints in the AfroModern way so that each print is showcased. **You will learn:**

- Principles of modern quilt design
- Fast improvisational piecing techniques with or **without** rulers
- No Template / No Pinning techniques for curved piecing in several different shapes

The workshop is stress-free and fun. Carole will give you lots of one-on-one coaching to inspire you to create your unique AfroModern quilt!
