

# Awesome Pattern Tester Notes

## MODULE 1

### OVERVIEW

- What Is Quilt Pattern Testing
- What Testers Receive

### TOOLS AND SKILLS

- What Testers Do
- Tools Needed
- Skills Needed

### Assessing My Skills & Tools

- Am I willing and able to give honest feedback? What coaching or guidance will I need from the designer?
- Ability to meet deadlines
- Email/Technology available & reliable
- Ability to take clear photos with my camera phone or tablet
- Quilt making tools (rulers, cutting mats, etc.)
- Specialty Skills I Have or Want to Learn

## **MODULE 2: FEEDBACK, FINDING OPPORTUNITIES AND HANDLING CHALLENGES**

- Choosing the Right Project
- Feedback Tips/When to Give Feedback
- What To Do When Life Happens
- Finding & Connecting with Designers

### **My Social Media Assessment: Accounts I have or will open (or will not use)**

- Instagram    Facebook    Pinterest    Other

### **Right Project Assessment: When Designer Contacts Me**

- Techniques required: Are there types of techniques that I understand and enjoy? Are there techniques involved that I do not enjoy making?
- Do I have the tools and skills for this pattern?
- Is there fabric in my stash compatible with project (designer can also help you select fabric)
- Availability: Will I have time to meet deadline?
- Am I clear on secret sewing guidelines?

### Action Planning: Designers I Will Connect With

Designer Name	Interact on Website/Blog/ Social Media/Newsletter	Notes On Contact Made & Follow Up
